

Do you know that the Creator of everything ever made wants to bless you, heal you, care for you and love you? That's our God . . . And to all of His promises in the Bible that you want to claim for yourself, He says, "Yes and Amen! You can have them, my precious child."

God's Word has a solution for every problem or challenge you face. Spending time in His Word is spending time with your Lord. He loves. You. He wants you to know Him . . . And you do that by studying and meditating on His Word.

Do you have a need? Then follow these steps:

1. Find two or three scriptures in the Bible that apply to your concern. God's Word is true — so base your prayer on His promises.
2. Open your heart to God's Holy Spirit. Ask Him to show you anything you may need to know about this matter.
3. Write down your prayer request like a petition to God based on what He's already said in His Word. Date it, sign it and consider this a contract. You have submitted your petition to the Lord and according to Jesus, anything you ask in His name, and believe you will receive, you will receive it.
4. What does the enemy say about your situation? What does God say about your situation? What are you going to say about it? You want to declare the truth of God by speaking His words aloud.
5. Praise God for answering your need; trust in Him that He is at work and He has already answered you.
