Greetings,

With 2009 behind us, we can prepare to take on a brand new set of challenges for 2010. We were extremely blessed this past year with 48 people accepting Christ and another 14 baptized in our services, along with countless lives changed by your generosity and servant hood. This was possible because of God's favor on churches that follow Him and through your obedience.

Throughout this New Year, we are going to continue to make a difference in people's lives here at the church and in our communities. So many times in the life of the church, we are guilty of resting on past experiences and performance, but I feel that God is calling us to take it to the next level in 2010. There are more people in our community who need to experience a relationship with a loving Savior and you have the answers that they seek. We will need to roll up our sleeves and get to work if we want to make an impact in 2010.

Another challenge, as I'm sure you are aware by now, is that we are praying that God would help us reduce the debt that we have on the Aldridge Center (which is often referred to as the gym) and we can all be a big part of that throughout the year. When God blesses you in any way, please be a blessing to the church as we strive to become a place where there are few restraints when it comes to our involvement in finances or the lack thereof.

I am excited about what God is doing in your lives, and I know that He is faithful to complete what He has started in each one of us. Have a Happy New Year and we will see you soon.

Blessings,

Pastor Kevin

Children's Choir Ministry

"Camel Lot" would not have been possible without the parents making sure their child(ren) learned their lines and songs and attended practices. Thank you. There were also many people who worked tirelessly 'behind the scenes' to help the message of "Camel Lot" be the brightest star of the night. Thank you. And finally, to all the children: WAY TO GO!! You were awesome! God is smiling because of your performance for Him!

Children's Ministry

This month we will be finishing of study in **Children's Church** on the "Names of God." All children are encouraged to come and be part of this time together. We have exceptional teachers who are well-prepared their lessons and truly care about your children. We hope to see your child(ren) on Sundays!
